

# Greenfield Primary School

**PE & Sport Premium  
2016/17 Funding Allocation of £9,218**

At Greenfield we are determined to offer opportunities, which not only give our children a rich and varied choice of sport and physical activity in school but also enable as many as possible to take part in regular out of hours activities.

In recognition of this, we have been awarded the **Gold School Games Mark** for the last 4 years.

We all believe it is essential that all children develop a broad range of interests and hobbies, which contribute to their personal, physical, creative, mental and intellectual development. We especially need to encourage all our children to have the self-confidence to participate in activities, which they have not tried before. We might have a future Olympic champion in our midst but unless each child is given the chance to try new sports early in his or her education, we shall never be able to spot and develop that potential.

We are proud of the sporting and physical opportunities our children have at Greenfield and try to introduce even more sport into our curriculum every year.

The purpose of the PE & Sport Premium Funding is to fund improvements to the provision of PE and sport for the benefit of pupils aged 5-11 years old, so that all pupils develop healthy lifestyles.

At Greenfield the funding is used to support a wide and exciting range of opportunities for all children including:

- Bellboating planned for all children in Key Stage 2 in October 2016 with Andy Train, multiple canoeing world championships medallist and five-time Olympian on our local Stourbridge Canal.
- Weekly specialist volleyball coaching with Niky Nikolov, a professional Bulgarian coach and current Birmingham University Volleyball Team Coach. Niky runs volleyball sessions in curriculum time on Mondays for children in Year 3, Year 4, Year 5 & Year 6. He also runs a successful after-school club after school on Mondays. Niky coaches at Redhill Volleyball Club, where former pupils have progressed to international and Olympic competition.
- Volleyball taster sessions with Niky Nikolov planned for Summer Term 2017 to introduce 80 Year 1 and Year 2 children to the sport in preparation for sessions for the coming academic year.
- Specialist tennis coaching with Grant Chapman and Kirk Woodall, full-time Level 3 coaches from Stourbridge Tennis Club, for pupils in Year 5 & Year 6. Intensive coaching offered during the Summer Term 2017 to 20 children from Key Stage 2, who were identified as talented following identification by coaches.
- Coaches always run the sessions with our teachers in order to improve our teachers' skills and the quality of our PE teaching, enabling the impact of the specialist coaching to be sustained. We are committed continuing professional development in PE and sport.
- Change4Life Festival on Monday 12 June 2017 aimed at motivating, raising self-esteem and improving engagement of children, who are disengaged in PE. The PE & Sport Premium Funding will fund cover to release our PE Leader, specialist sports coach.
- Weekly programme of multiskills, fitness, & gymnastics coaching in Year 3 and Year 4 with Daina Scott, sports coach from RB Gym and Sport.

- Weekly Dance sessions every Tuesday for our Year 5 and Year 6 and every Wednesday with Year 1 and Year 2 children with Ali Prichard, dance teacher.
- A full term of weekly swimming sessions for each of our 3 mixed age Year 3 and Year 4 classes at the Crystal Leisure Centre learner pool with Elaine Mills, an experienced, full-time swimming coach. Each child in a cohort of 80 children has 10 one hour sessions. The children are accompanied by a teacher and two additional members of staff, all of whom have poolside instruction qualifications.
- Purchase of mats for gymnastics.
- Equipment for cricket, tag rugby, football and netball clubs for children in Key Stage 2.
- Transport to interschool competitions. This included:
  - local and regional tag rugby at Old Halesonians RFC aiming for qualification for the Black Country Finals (Sainsbury's Games). We have been the Black Country Champions for 3 out of the last 7 years.
  - local athletics at Windsor High School, Halesowen (where we achieved 1st place in Year 6 Boys' athletics).
  - local cross country.
  - local interschool football league.
  - local interschool netball competition, where we have previously been Stourbridge Champions and aimed to qualify for the Black Country Games (Sainsbury's Games).
  - local tri-golf and mini tennis competitions for Year 3 & Year 4 children in Summer Term 2017.
- Time spent on quality assuring sports coaches.
- Talent identification and intensive coaching of those identified as talented in PE & Sport.
- Subscription to Association for Physical Education.
- Development of our house system to enable inter-house sports.
