

All About My New School

Greenfield Primary School

Soon I will be starting at Greenfield Primary School.
This is what my new school looks like.

I will be in Reception.

These are the teachers who will look after me.

Mr Sutton is a Reception teacher.

Miss Stephenson is a
Reception teacher.

Miss Lees is a Reception
teaching assistant.

At school I will also see:

Mrs Stylianides the
Headteacher.

Mrs Remmers the Deputy
Headteacher.

There are lots of friendly children in my school.

I will wear a school uniform when I start my new school.
I will look very smart in my school uniform.

To get into my classroom I will go through the gate, down the ramp and through the door.

I will have lots of fun at my new school. There are lots of things to explore and play with.

I will take part in lots of fun activities in my classroom.

Sometimes I will play outside.
This is my outdoor learning area.

This is where I will eat my lunch.

I will go to assembly and learn PE here too.

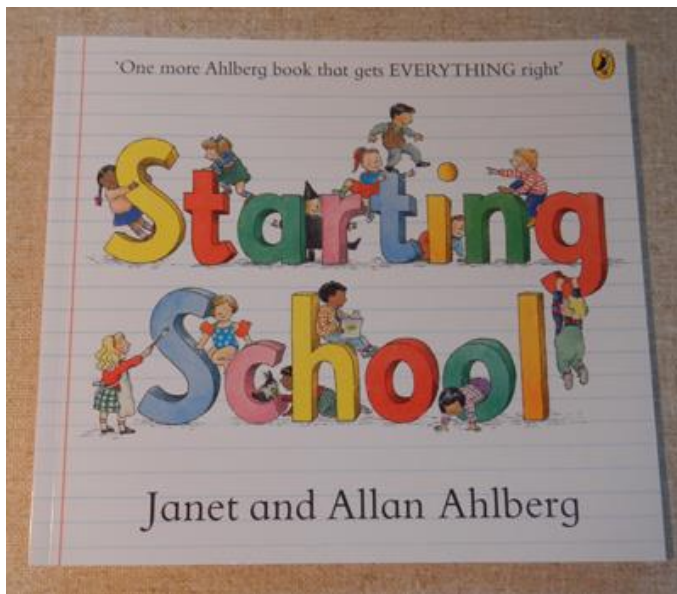

This is the playground where I will see the older children
and play on the climbing frame.

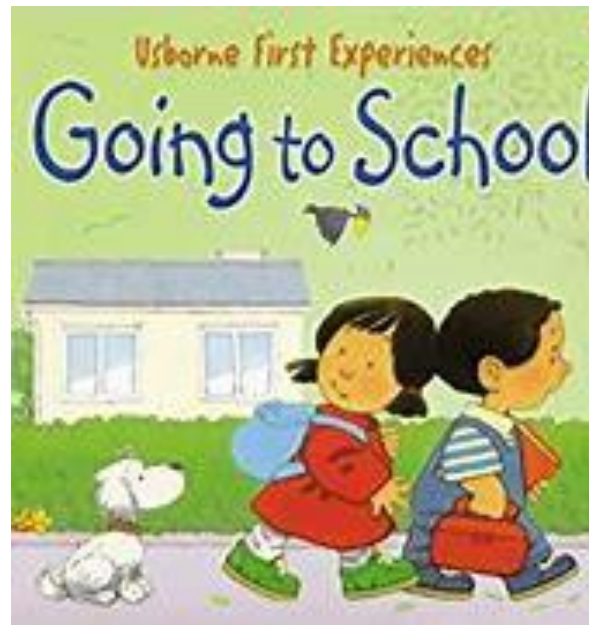

These are some stories I can read before I start my new school. They will help me learn all about school!
